

BEFORE THE CORPORATION COMMISSION OF THE STATE OF OKLAHOMA

APPLICANT: CASILLAS PETROLEUM RESOURCE PARTNERS, LLC

RELIEF SOUGHT: INCREASED WELL DENSITY

LEGAL DESCRIPTION: SECTION 27, TOWNSHIP 4 NORTH,
RANGE 4 WEST, GARVIN COUNTY,
OKLAHOMA

) CAUSE CD NO. 202200025

FILED
JAN 07 2022

COURT CLERK'S OFFICE - OKC
CORPORATION COMMISSION
OF OKLAHOMA

APPLICATION

COMES NOW Applicant and shows the Corporation Commission of Oklahoma as follows:

1. **PARTIES:** Applicant is **Casillas Petroleum Resource Partners, LLC, 123 NW 8th Street, Oklahoma City, Oklahoma 73102**, owner of oil and gas leasehold interests within the lands described in the caption hereof. The name and address of each party entitled to notice of this Application is as shown on Exhibit "A".

2. ALLEGATION OF FACTS:

(A) That heretofore, by Order No. 671191, dated December 14, 2017, this Commission designated the land described in Paragraph 4 hereof as a single drilling and spacing unit for production of hydrocarbons from the common source of supply also described in Paragraph 4 hereof, and designated the unit well to be located not closer than 165 feet from the North/South unit boundary and not closer than 330 feet from the East/West unit boundary. That such pattern and density are not adequate when taking into consideration the changed conditions which now prevail as compared to conditions as known when such well pattern and density were first ordered. That it is now necessary to drill **three (3) additional wells** on said unit to effectuate the maximum recovery of hydrocarbons from said common source of supply. That to prevent waste and protect the correlative rights of the parties in the reservoir, the Applicant should be allowed to drill **three (3) additional wells** on said unit.

(B) That there is an existing well in the unit:

<u>Well Name</u>	<u>API No.</u>	<u>Common Source of Supply</u>	<u>Operator</u>
Rollins 0404 1-34-27WXH	049-25287	Woodford	Marathon OP No. 1363

(C) That the **three (3) additional wells** requested by Applicant are necessary to effectively and efficiently drain a portion of the common source of supply (reservoir) covered by the drilling and spacing unit established by the order which cannot be effectively and efficiently drained by any existing well within said drilling and spacing unit.

3. **LEGAL AUTHORITY:** 52 Okla. Stat. § 87.1.

4. **RELIEF SOUGHT:** Applicant requests that the Commission enter an order amending Order No. 671191, dated December 14, 2017, to authorize the drilling of **three (3) additional wells** to test the Woodford common source of supply underlying Section 27, Township 4 North, Range 4 West, Garvin County, Oklahoma, same to be wells for the unit consisting of said Section 27, a 640-acre **horizontal** unit, and that Applicant or some other party be authorized the right to drill said wells.

5. **SPECIAL RELIEF:** Applicant further requests that the order to be entered in this cause may be made effective prior to the date of issuance of the order.

Respectfully submitted,

MAHAFFEY & GORE, P.C.

GREGORY L. MAHAFFEY, OBA #5626
